KEOKUK SENIOR HIGH SCHOOL

COMMENT 1966 CER THAN OR EQUAL TO 9 GREATER THAN CON FOUAL TO SQUARE ROOT THE ABSOLUTE VALUE AR LINE HA SEGMENT

A few dusty miles from Dodge City's fame, there's a town called Kinsley in the Kansas plain; and from out this great land of the West's golden days came a man who has earned our heartfelt praise.

The University of Kansas and Kansas State, graduated and ready with chalk for life's slate: he coached and he taught, but ere he'd gone far he laid down his work, followed the eagle to war.

In the Navy, an officer, he fought for his land; World War II ended, then came something grand-the year: forty-six, at Iowa City hear them cheer; with his team undefeated he's Coach of the Year!

Then at last to our town of Ecokuk came he, last year led the Chief to Little Six victory, the silver years passed, and now come the gold; we're proud of Coach Cormack-give us more of his mold!

On the day of March 17, 1965, the dream of the keakuk Chiefs basketball squad became a reality. Through hard work, and the winning of all of the district and substate games, the team had won the honor to go to Des Moines and compete for the title of state championship.

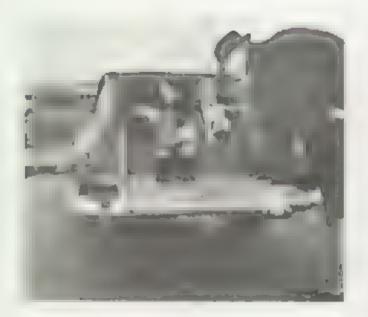

The days of the tournament were March 18, 19, and 20. The first game, played on Thursday afternoon, was a match between Atlantic and keokuk, the Chiefs coming out on top by the score of 54 to 50. On Friday the threfs matched with against Des Moines Roosevelt, and came out on the short end losing by the score of 68 to 56. Sad over briday's defeat, the threfs bounced back Saturday night to beat bringell by the score of 78 to 59, and capture third place in the tournament.

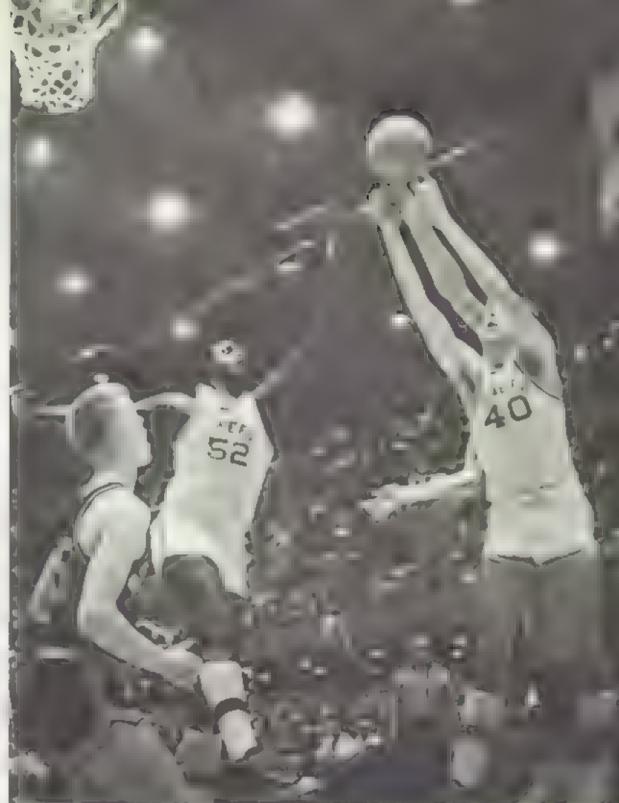

Greg Douglas set a record by scoring 30 points in the game against Grinnell, and he was also named second team center on the Lournagent Leam.

If winning the conference championship, going undefeated during the regular season, and being ranked second best in the state are indications of success, then our 1965-1966 besketball team is tremendous. The varsity team has done all of these. In the conference the Chiefs won every game and placed breg Douglas on the first ult-conference team, him living and Bob Huiskamp on the second team, and Bob Bennett received honorable mention. Even with this impressive display, touch Jones believed that Ken Schwab and Jim Bennis also deserved recognition.

These boys are a team not individuals, and the team has been honored. It has been ranked second in the state all year. Our team deserves this rating. They were not beaten during the season which set a new school record. This is the first undefeated team in the school's history. One other record may be set—Greg Douglas is well on his way toward breaking the KIP scoring record held by larry Swift. Greg is averaging over 26 points a game.

In the first round of tournament play, the Chiefs eliminated Ft. Wadison High by a score of 83-17 at Burlington Notre Bume. In the semi-finals, Waco provided a great deal of competition before falling 62-50. In the finals keokuk broke the game wide open with a fine defensive second quarter—becoming district champs for the fourth year in a row by defeating Burlington 72-55 and entering substate play against Ottumwa.

A big thanks goes to the thiefs for the best season ever, and we hope they become the best team in the state.

Swimming

Our 1965-66 keokuk High School swim team has recreded the accomplishments of all previous teams at kHS. They have set mine new records and are looking forward to doing still better in the following years. In the district meet this year, two members of the team deserve special mention for their achievements. Larry French placed 7th in the 100 yard free style and Druglas Crynes received 7th in the 200 yard individual medly, although the rest of the team also did well in representing kHs.

The prospects for next year's svin team look exceptionally well, as we will lose only two of the senior team numbers and possibly gain a few freshmen. So the students can expect continued success in the following years with the kHS swin

Our 1965 Joishall team was a formidable opponent for every team that they faced. Never were the Chiefs beaten easily in their 5 win and 4 loss acason. Intil the end of the final game, the team was in contention for their second straight conference Grown. They lost only two conference games and both of these were bitter defeats. The first was to Assumption 19 to 21 and the second was a loss to Burlington while touch Cormack was in the haspital with an ailing stomach. The loss did not soothe his pain. This year's tran was interesting to watch due to the wide open passing attack which the thirts used. Mac Hampton, John Nepote, and Bob Hurskamp were the major components of this passing combination which led the conference the entire year. Bob was the league's leading passer completing "I passes for Obi vards and 8 touchdowns. John led the conference in pass receiving by making 2% catches for 556 yards, but he was followed closely by Mar Hampton who finished second by cutching 20 passes for 313 yards to oftest Mac's versatility, he also led the conference in scoring. Another high point of the season was the goal line stards the Chiefs were able to master. Five times the determined this is led by all conference tackle and Dunne and a fine defensive line repelled their opponents inside the ten-vaid line. Congratulations to the Chiefs for their fine team and the exciting football they played.

Bith the experience gained by some of the sophomores on the varsity squad plus signs of promise from other sophomores, Mr. tormack is looking for the best in sixty-six.

The Chief track team had some ups and downs during the spring of 1965. In a couple of the relays condermen of Couches Peters and Schmadeke made a contest of the meets until the last events. The team advanced one position over last year in its last major contest of the season, promising better things to come. The seniors protuced on these juges will leave their mark on future track teams. Inderclassmen returning and a good crop of sophmores should give keokuk a track team that will move up the ladder from its position last year.

Nevertheless, keekuk had a successful record of 9 wins and 1 loss. In the Conference meet held in keekuk, the Chiefs placed third—In the State Sectional Golf Meet held at Burlington, the Chieftsian qualified for the District meet. At the District meet held in Ottunus, keekuk placed first. Jack Rogers was the meet medalist. The keekuk Chiefs placed fourth over all in the State Golf finals at lowa City. Too Buiskamp was runner-up medalist and Gais Bundin finished 10th. This is the finest record a heekuk gulf squad has ever tailied—fougrafulations, Boys! Although the loss of Gury Hanlin and Puve Morgan from Inst year's tournament aquad will be felt; Ton Buiskamp, Jack Bogers, and Colin Williams will be back to provide a fine nucleus for this year, which should result in a successful season.

The 1965 baseball team definitely kept their opponents alert and fighting, but unfortunately were not able to capture many victories. Some of the team's needed players were unable to participate due to summer jobs and vacations. It was a trying experience for these kHS bass to keep the team going during the hot summer, and kHS is proud of their efforts.

With one of the most experienced teams in years to represent because in the rucket sport, the team could do no better than a 12-2 record. The Chiefs was their own Chindrangular Invitational over Ottomsa High, Hannibal, and Christian Brothers. Burlington slipped by the local boys in both the district and conference meets.

At the district Mike Perr and Allan Jones finished second to Burlington in doubles. Jack Worrs duplicated this position in the singles as he lost to the eventual state champion. The conference ended up in the same duo finish, but this time Johnson was runner-up to Worphy.

lohnson, fones, Morres, and John Soar have left shoes that will be difficult to fill, but Mike Perr, Galen Eckland, Mark Ackley, and Roger Courtney should provide enough experience around which a team can be built to have a fair senson.

John laylor had the highest total points on the squad. Barold Moeller, Ken Baldwin, and he moved on to the district tournament. These three traveled to Davenport where they were all defeated in first matches. This, along with the success of the Junior Varsity, gave the Chief grapplers one nore hold on experience for the

During the summer and full, the Chieftain Bund is continually on the march preparing half-time routines, parade drills, and Band Dry performances. When the marching season ends, the Chieftain Bund slows down and moves inside in preparation for three concerts and the State Music Contest held each April. In addition the Pep Bund adds a lot of pep and enthusiasm to each pep rally and home game with their swinging tunes.

Mr. bowing can wigh with relief knowing he can once again reclaim his office, he will not have to write anymore vellow slips, and he will not be forever misplacing the copy he just had. Yes, the never-ending confusion has stopped, and the Comment for 1966 has been completed.

Hopefully, these pages will serve to remind the class of 1966 of the many wonderful nehievements and victories that have taken place in their senior year. The classes of '6" and '68 can look at this yearhook knowing what can be possible for them. We have tried to reproduce a reminder of all the wonderful moments and activities that have made this year the greatest. time, any place, the 1966 " can bring back many fond and lasting memories.

In closing another volume of the Comment we the staff would like to salute two people who have had a great deal to do with whatever success can be claimed for these books of memories that are produced annually. (athry a and John toffer have been so patient and understanding as we fumbled and deliherated on several choices we fuced.
